

POGO

Code: K305

Description

Swing with inclusive seat. This kind of seat allows children who don't have good balance, a strong grip or good co-ordination, to enjoy the sensation of swinging. The inclusive swing seat fits nearly anyone who needs a supportive, secure ride on a special needs swing.

Construction made of stainless steel. Swing is with round bench for a parent.

The playground device consists of

- 2x frames connected with each other in the shape of an arc
- 1x seat
- 1x bench
